Planning Matters

DM/0987/22/FUL – Hall Farm

Council had some reservations re increased traffic within the village. However, as the huts are set well back, they are not in view. Councillors felt there was no major reason to object. – Area/road is prone to flood, condition of the road needs to be considered. Put in an observation/instead of object/approve.

Resident reference to planning application – Members of the public were in attendance, re planning application, which includes building which is outside of the village plan. Resident has been in the village for a few years and isn't wanting to leave. Building outside the plan has been approved before. Wanting to come to Council to gain approval. Intending to build small, detached dormer bungalow, which will be in-keeping with the village. Build will be out of site. No plans have been drawn up yet. Council felt that in order to make a formal decision on approval/objections, plans will be needed.
